VOL. XXXV.

STANFORD, KY., FRIDAY, OCTOBER 11, 1907.

NO. 64.

KINGSVILLE.

Kingsville is making an effort to obtain a high school and we hope a successful effort.

Mr. and Mrs. Sam Knepp and sons, Harry and Robin, of Sonoma, are the guests of relatives here. Mr. L. A. Bates has returned from a visit to Clarence, Mrs. Rose Hallam, of Glasgow, Ky., and home Monday night. A visit to her sister, Mrs. Wm. Lane. The latter returned with her sister for a few days' visit. Mrs. Tony Fletcher, of Science Hill, was the guest of her cousin, Virgil Bastin and wife. Mrs. Colonel Gooch and baby have returned from a visit to Mrs. Pence at Lexington. James Coole (not Gooch, as you types had it), his efficient and accommodating agent. Mr. Coole resigned his position at Edbanks and is working here merely as an accommodation to the company until they can find some one competent to take his place. Thomas Payne paid a visit to Miss Laura Cottrell at Good Hope and incidentally took in the association in progress there recently. W. R. Gooch, of Somerset, was the guest of Dr. J. W. Aceton. Mr. C. D. Evans, of Waynesburg, was here Thursday. He has recently bought property in Nicholasville. Mrs. Claude Huster is visiting her mother, Mrs. Laura Gooch, at some set.

CHURCH MATTERS.

The floor space of St. Peter's, Rome, is 227,000 square feet, the greatest of any cathedral in the world.

The Bible may be read and the Lord's prayer recited in public schools, so the Texas Court of appeals decided.

Rev. E. S. Shoemaker, Superintendent of the Anti-Saloon League of Indiana, predicts that State will be dry by 1912.

Eld. Joseph Hallon will preach at the Christian Church next Sunday at 11 o'clock. Subject: "Choosing and Refusing."

The Y. M. C. A. yearbook reports: Associations, 1,887; members, 435,000; property, \$39,000,000. There are now 2,400 men employed and the Bible classes have 178,060 members.

Newport is to lose its "Little Church Around the Corner," where Julia Dent Grant was married and where many other fashionable weddings have taken place. The church is to be sold for lack of support.

BRYAN'S REASONS FOR COMING TO KENTUCKY.—"I am down here because I want to express to you the hope felt by the democrats throughout this union that when your vote is counted in November you shall poll such a majority for Judge Hager and his companions on the ticket as to let them know where Kentucky will be when the roll is called next year, and I have come to express the hope that you will see to it that in the election of your Legislature you shall have a majority. I trust in that Legislature that will be in favor of sending to the Senate your gallant young democrat from Kentucky, Gov. Heckham, that for six years he may stand there as the apostle of democracy and the champion of the rights of the people."

How to Cure a Cold.

The question of how to cure a cold without unnecessary loss of time is one in which we are all more or less interested, for the quicker a cold is gotten rid of the less the danger of pneumonia and other serious diseases. Mr. H. W. L. Hall, of Waverly, Va., has used Chamberlain's Cough Remedy for years and says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by all druggists.

The Millersburg Female College was destroyed by fire Wednesday. There were 150 young women and children at their desks when the fire broke out, but they escaped without injury, though some were badly frightened. The building was a three-story brick and frame structure, and the fire originated from a defective flue. The loss is estimated at \$23,000, partly covered by insurance. The college was established in 1852. It was burned in 1873, but was later rebuilt.

"Did you and your wife do much rowing at the seashore?" "That's the way it is spelled, but it is pronounced different."—Houston Post.

Foley's Kidney Cure will cure any case of kidney trouble that is not beyond medical aid. Penny's Drug Store.

The growth of girls is greatest in their 15th year, of boys in their 17th.

Why is an old maid like a bad lemon? Because neither is worth squeezing.

Of the world's population there are 64 to the million who are blind.

MIDDLEBURG.

Hon. J. W. Newman, candidate for Commissioner of Agriculture, and Prof. M. O. Wofford, candidate for Superintendent of Public Instruction, spoke at Yessen to Thursday afternoon.

Q. R. Jones has lately purchased and remodeled the old Coffey water mill at the place and is now prepared to make the best of water mill meal. This mill has always been famous for good meal, but is better equipped now than ever before.

It is not known yet who will be pastor of the M. E. church here this year. It is said that conference was short of preachers at Middleburg, like a number of other places, has yet to be supplied. Rev. J. S. Coffey will be the pastor of the M. E. church.

Rev. W. J. Taylor, an Australian, preached at Yessen's Christian church Sunday morning and evening. He is a student in the Bible College at Lexington and came to fill an appointment for Rev. J. W. Hall. He is quite youthful, though those who heard him were favorably impressed.

Miss Sadena Jones was able to attend Sunday school at the Baptist church after a siege with typhoid fever. Judge Tilford and wife visited at W. G. Hatfield's. Mrs. Fannie Carter, of Burnside, visited her sisters, Mrs. William Wheat, of this place, and Mrs. Sharp, at Yosemite. Bob Cabell and mother, came up from Burnside and spent several days with Mrs. Marion Sweeney, who is sick. Rev. W. G. Tilford went to Pleasant Point Saturday. Miss Nora Coffey, of Phil, was a visitor at Jason Coffey's.

One Hundred Million Opium Smokers.

The casual observer may think that the opium traffic—smuggling opium, smoking opium, and eating opium—is a minor trade and indulged in by only a few reckless habitues who want to be wasted to other worlds. This is not so. The staminal and character of the entire Chinese race have already been so sapped by this drug that the resulting demoralization has frightened even the degraded victims of the habit. Today, China, drugged, debauched, frightened at her own desperate condition, is grabbing with the vice that has her by the throat. No such heroic effort at moral reform has even before been made by a human government. And the Christians who debauched her are looking on, skeptically, questioning China's "sincerity." At Tien-tsin, where the Chinese officials have closed all the opium dens in the native city, Mr. Merwin found the dens in the foreign concessions, licensed for revenue by the foreign consuls, running wide open. In vain the Chinese protested, that this laxity completely nullified the effect of their own prohibition. The consuls could not see their way clear to give up the revenue. Truly, it is an extraordinary story.

The most conservative official estimate of the opium-smoking population in China is 100,000,000—only 16,000,000 more than the entire population of the United States. Many officials place the list at 150,000,000.—Success Magazine.

MATRIMONIAL.

Mrs. Mary Reynolds Morris and Mr. John Wesley Caskey, both of Junction City, drove over to Danville and were quietly married in the parlors of the Gilcher Hotel. Rev. J. Q. Montgomery, pastor of the Christian church of the above place, was the officiating minister.

The INTERIOR JOURNAL has the honor of announcing the approaching marriage of Miss Eleanor LeGrande Jones, of Mt. Sterling, to Mr. Anderson Chenault Bogie, also of Montgomery county. The date is Oct. 16th and it will be an elegant, but very quiet home wedding. Miss Jones is the charming daughter of Mr. and Mrs. John P. Jones, who moved from this place to Mt. Sterling several years ago. She is a beautiful girl, very accomplished and is greatly admired. Mr. Bogie is a wealthy young farmer and a fine gentleman. We wish him and his prospective bride all the pleasure that can come to a happily wedded pair.

Citizens and newspapers of Washington are vigorously protesting against the plan of the Park Commissioners to remove trees planted by famous men in order to make room for the Grant monument. It is generally regretted that neither the Secretary of War nor the President is in Washington, so that some effective means could be taken to prevent the carrying out of the scheme.

D. D. Edwards, who admitted during his trial for murder at Chattanooga that he probably had killed 14 men, and who trailed Ed Turner, the wife murderer, to his hiding place in Kentucky, went violently insane at the county jail. He suddenly pounced upon the day jailer and made a desperate attempt to secure his pistol, with the avowed intention of killing the jailer and himself.

Hard Times in Kansas.

The old days of grasshoppers and drouth are almost forgotten in the prosperous Kansas of to-day; although a citizen of Codell, Earl Shamburg, has not yet forgotten a hard time he encountered. He says: "I was worn out and discouraged by coughing night and day and could find no relief till I tried Dr. King's New Discovery. It took less than one bottle to completely cure me." The safest and most reliable cough and cold cure and lung and throat healer ever discovered. Guaranteed by Penny's Drug Store. 50c and \$1. Trial bottle free.

MR. LEWIS GREEN GOOCH.

The above is one of Lincoln county's busiest men as well as one of its most successful. He is president of the Waynesburg Deposit Bank, does an extensive mercantile business, handles more lumber than probably any man in the county and has several side lines to look after. His Dear Old Mother.

"My dear old mother, who is now 83 years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. THEATRE TALK NO. 1.

DID YOU EVER READ THE STORY OF MONTE CRISTO? It's a wonderful story, so full of interest that the boy who starts to read it should be on excellent terms with his mother, because in nine out of ten cases he will forget to carry up the coal, forget to perform his errands, forget his meals while following the hero through the trials and triumphs of that hero's career.

It's A Wonderful Story.

MONTE CRISTO, NOT THE REAL MONTE WHO LIVED IN THE STORY OF DUMAS, but Fred. G. Conrad's theatrical Monte Cristo, will visit this city in a week or two.

EVERYBODY IN TOWN WILL WANT TO SEE THE PLAY, but to enjoy it best this paper advises a reading of the novel before witnessing the theatrical production.

WE DON'T KNOW MUCH ABOUT THE CONRAD COMPANY,

but it has as good a reputation as any Monte Cristo Company on the road, and will doubtless present the great melodrama to the satisfaction of all theatre-goers. Conrad guarantees the attraction and he says he will give you "YOUR MONEY'S WORTH, OR YOUR MONEY BACK."

"Monte Cristo" is one of the greatest plays and like "East Lynne" and "Uncle Tom's Cabin" will live forever, having won a place in the affections of the theatre going public. The play possesses the same drawing power that greeted its initial production. From a dramatic standpoint, no play excels it and the situations are sensational to a degree.

"MONTE CRISTO" WAS THE FIRST OF A LONG LINE OF DRAMATIZED BOOKS and has fairly proven the best after its almost continued service of over sixty years. FOLLOWING ITS EX-

The Best of All

AMPLE the successful plays that have in recent years been made from books are "Ben Hur," "The Christian," "Tess of the D'Urbervilles," "When Knighthood Was in Flower," "Quo Vadis," "The Little Minister" and "In the Palace of the King," BUT THE PLAY THAT HAS AND MUST OUTLIVE THEM ALL IS "MONTE CRISTO." Usual prices will prevail.

A SPECIAL from Chicago announces that Louisville may lose its chief exponent of expression and the fine arts in the person of Mrs. J. Morgan Bruce. The Cocker School of Expression has offered the local artist a splendid inducement to assume direction of the advanced work for that school. Mrs. Bruce is a woman of charming personality and great versatility. She has made an eminent success in every line of her work. Her removal to another city at this time would be greatly regretted in artistic circles.—Times. Mrs. Bruce was the handsome Miss Belle Tyree, of this place.
